Rotary Club of Maui plans romantic fundraiser

The Rotary Club of Maui is hosting a whale watch on Valentine's Day (Sunday, Feb. 14) from 1 to 5 p.m. on the Four Winds II in Ma'alaea. This will be a fundraiser for the club. President Heather Mueller said, "The Rotary Club of Maui has used the funds we have made for projects such as...a water well and a water catchment system for a school in Tanzania, financial support for many local service agencies, the Food Bank and our current project, a water well in Niger."

The boat features a glass bottom. Great for children and non swimmers. Besides having a meal, included in the package is snorkel equipment. Optional "SNUBA Diving" - just like SCUBA but no tanks or heavy gear to wear and there is no certification or experience necessary.

"The boat stops in some of the most spectacular snorkeling areas on Maui," said Pres. Mueller. "It's a perfect way to spend a romantic afternoon with that special someone on the day of love."

Rotary is a global network of community volunteers who are business and professional leaders providing humanitarian service, encouraging high ethical standards and helping to build goodwill and peace throughout the world. With more than 31,000 clubs in 165 countries, Rotary International carries out service projects in their communities and abroad addressing critical issues of poverty, health, hunger, illiteracy and the environment.

Tickets are \$55 and this includes pupu and drinks. Go to the Rotary Club of Maui Web site www.rotaryclubofMaui.com or call Robin Webster at 269-8141.
